Attachments: Draft CM Akins 3-7-19 questions on Lane Plating.docx

Rebecca,
Can TCEQ address 5,8, and 15?

Jessica,
Can TXDSHS address 1,12,and 31?

If you see any others you want then let me know.

I typed up the questions from the 3-7-19 CM Akins meeting on Lane Plating. I fixed some of the grammar and spelling issues but not all of them. I should put this on a SharePoint drive where we can all work on the same file, but I don't have access to the SF-RA shared folder at this time. Please reply with the number of any questions that you want to be responsible for answering.

Subject: Questions from - District 8 Community Meeting EPA Superfund Site, Lane Plating Works

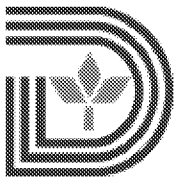

Good afternoon,

Attached to this email are questions from the citizens who attended last night's District 8 Community Meeting EPA Superfund Site, Lane Plating Works. Council Member Atkins is asking that you review each question and if you or someone on your staff can answer the question, please respond with the answer. Mr. Atkins wanted to send the original question in its original form, so that the question may be read as the constituent intended. When responding, please list the question asked, along with the answer, in the following format:

Question:

Answer:

Thank you so much for your participation in last night's meeting and your attention to this request.

Angla Finley-Everett
Assistant to City Council / District 8
